FOR IMMEDIATE RELEASE

Accuride Announces Availability of Bostrom's Signature Series Patriot Seat *Driven by Customer Demand for Increased Comfort and Durability*

EVANSVILLE, Ind. – July 1, 2008 – Today, Accuride Corporation (NYSE: ACW) announced the availability of Bostrom Seating's new Bostrom Signature Series Patriot™ seat to the aftermarket. The seat was previewed at the Mid-America Trucking Show (MATS) in Louisville, Kentucky, on March 27, 2008.

“Driven by customer demand for increased comfort, durability, and a competitive price, the Bostrom Signature Series Patriot seat offers enhanced energy absorption and support, with premium design characteristics,” said Rick Schomer, Accuride's Senior Vice President of Sales and Marketing. “The Bostrom Signature Series Patriot seat is competitively priced while offering increased foam density with a 21-inch wide and 18-inch long seat cushion in addition to a wider backrest configuration.”

Available for both driver and passenger in-board applications, Bostrom's Signature Series Patriot seat is packed with features:

- The Flex-Support System, which is attached to the seat frame using specially designed torsion springs, combines superior energy absorption and significantly improved support when compared to seats using a rigid deadpan;
- New reclining mechanism offering improved durability and functionality;

-more-

- Isolating suspension system features a full 9.5-inch fore and aft adjustment, front seat tilt adjustment and a true 5-inch ride zone utilizing a single heavy duty shock for maximum road shock absorption;
- Suspension configured with brackets for easy installation of dual heavy duty dampers; and
- Adjustable mechanical lumbar support supplied as standard equipment.

Options include a two-chamber air operated lumbar support, dual armrests, swivel, low-profile suspension, and suspension cover.

The Bostrom Signature Series Patriot is available from the Bostrom facility in Piedmont, Alabama. Select part numbers will also be available at Accuride's facilities in London, Ontario, and Portland, Oregon.

Bostrom Seating, a brand offered by Accuride Corporation, is a recognized leading supplier of seating products for the commercial vehicle market.

Accuride Corporation is one of the largest and most diversified manufacturers and suppliers of commercial vehicle components in North America.
