Bostrom Seats from Accuride Now Available as Options For Navistar International Corporation

EVANSVILLE, Ind. – January 30, 2007 – Accuride Corporation (NYSE:ACW) today announced that truck seats from its Bostrom Seating division are now available as options on International trucks sold in North America.

Available options for International are Bostrom driver and passenger versions of its T-Series, Liberty, and Wide Ride air suspension seats. These are available for the International 9000i series highway tractors.

Bostrom is a leading supplier of air suspension and static seating systems for heavy- and medium-duty trucks, the related aftermarket, and school and transit buses.

Accuride Corporation is one of the largest and most diversified manufacturers and suppliers of commercial vehicle components in North America. Accuride's products include commercial vehicle wheels, wheel-end components and assemblies, truck body and chassis parts, seating assemblies, and other commercial vehicle components.

Accurides' s products are marketed under its brand names, which include Accuride, Gunite, Imperial, Bostrom, Fabco and Brillion. For more information, visit Accuride's website at <http://www accuridecorp.com>. Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995 for Accuride Corporation: All comments relating to any future period are forward-looking statements, subject to uncertainties and risk that could cause actual results to vary materially from what is suggested here. These statements are subject to risks and uncertainties, including without limitation, the risks detailed from time-to-time in Accuride's filings and reports with the Securities and Exchange Commission.
