Accuride's Brillion Iron Works Receives Supplier Award from Toyota Industrial Equipment Manufacturing

EVANSVILLE, Ind. – July 24, 2009 – Accuride Corporation (OTCBB: AURD) today announced that its Brillion Iron Works Division recently received a Supplier of the Year Award for quality, cost, and delivery from Toyota Industrial Equipment Manufacturing, (Columbus, Ind.), the U.S. manufacturing plant for Toyota lift trucks. The Quality Cost Delivery (QCD) award is given to those TIEM suppliers whose quality, cost, and delivery exceed a 95 percent standard of excellence.

“Our dedication to building world class products, our constant focus on cost effectiveness, and our commitment to delivering product on time has allowed Accuride and Brillion to build strong reputations within the industry,” said Randy Brull, General Manager of Accuride’s Cast Products. “We are extremely honored to receive a supplier award from Toyota Industrial Equipment Manufacturing, and extend our appreciation to our team members for their dedication in achieving our manufacturing goals and ensuring customer satisfaction.”

Brillion Iron Works operates one of the largest and most versatile iron foundries in the United States, specializing in products ranging from lightweight, intricate thin walled castings to highly cored, heavy sectioned castings for a wide range of industries, including the heavy- and medium-duty truck, industrial machinery, agricultural equipment, lawn and garden equipment, and construction equipment makers.

Accuride Corporation is one of the largest and most diversified manufacturers and suppliers of commercial vehicle components in North America. Accuride’s products include commercial vehicle wheels, wheel-end components and assemblies, truck body and chassis parts, seating assemblies and other commercial vehicle components. Accuride’s products are marketed under its brand names, which include Accuride, Gunite, Imperial, Bostrom, Fabco, Brillion, and Highway Original.
