# Aluminum Wheels for Transit Bus Applications

## ACCURIDE 15° TUBELESS ALUMINUM WHEELS

**Hub-Piloted Dual-Mounting  
Two-Piece Flange Nut**

**10-Hole, 335mm Bolt Circle, 281mm Bore**

**ULTRAMOUNT 335**

Item	Wheel Size	Accuride Part Number	Polish Option (Typical Application)	Wheel Offset	Disc	Installed Valve	Approx. Wt. (lbs)	Maximum Load & Infl. (lbs) - (psi)	Alcoa Part Number
1	22.5 x 8.25	29560SP 29560XP	Standard Polish Extra Polish	6.69"	.866"	V3-20-7	53	8046 - 138	88652x
2	22.5 x 8.25 <sup>(1)</sup>	40014SP 40014XP	Standard Polish Extra Polish	6.69"	.866"	V3-20-7	53	8046 - 138	88651x
3	22.5 x 9.00	29562SP 29562XP	Standard Polish Extra Polish	6.89"	.866"	V3-20-7	55	9094 - 141	89652x
4	22.5 x 9.00 <sup>(1)</sup>	40180SP 40180XP	Standard Polish Extra Polish	6.89"	.866"	V3-20-7	55	9094 - 141	89651x

The last number of the Alcoa part number represents the Alcoa finish.

0-SP; 1-XP; 2-XP; 3-XP; 7-SP; 8-SP Duplex inset position; 9-SP Duplex inset position; DB-C; DF-F; DD-FC

(1) Bolt holes are 32mm, ISO standards are 26mm.

### Accu-Armor™ Wheel Surface Treatment

Need a wheel that will not only perform in the toughest environment but will always look good? Look no further than our Accu-Armor™ finish. Our texturized and anodized sparkle silver finish will outperform in any environment, and maintain its sharp appearance with low maintenance. Ideal for vocational applications.

### Accu-Shield® Wheels with Protective Coating

Don't mess with unnecessary refinishing costs, keep your wheels shining as if they were new with Accu-Shield®. This low maintenance, easy cleaning clear coating will keep your bus looking good.

### Accu-Flange™ Protective Flange Coating

When it comes to ensuring the durability of your aluminum wheels, you have a choice. Specify Accu-Flange™ from Accuride to protect your aluminum-wheel investment. It's ideal for severe-duty applications where loads are prone to shifting, circumstances requiring frequent stops and starts, as well as gritty operating environments that accelerate flange wear.

#### ALUMINUM FINISHES

Aluminum Finish Code	Aluminum Finish Name
SP	Standard Polish (Both Sides)
XP	Extra Polish (Both Sides)
C	Accu-Shield® Wheels with Protective Coating
F	Accu-Flange™ Protective Flange Coating
R	Accu-Armor™ Wheel Surface Treatment
FC	Accu-Flange™ with Accu-Shield®
RF	Accu-Armor™ with Accu-Flange™
