Gunite Spoke Hub Obsolescence

Part Numbers: RX254, RX780, TY233, TX237 & all related sub-assemblies

Effective immediately, Accuride Wheel End Solutions (AWES) will obsolete ten Gunite spoke hub part numbers. The change is the result of product synergy activities within AWES. The Gunite part numbers will be listed as “Sell-Out Inventory” until remaining inventory is consumed. At that point, they will be listed as “Obsolete”.

Your Accuride sales representative will be working with you to ensure the replacement part numbers are communicated correctly along with pricing for a smooth transition.
