Accuride Wheels Wheel Dunnage Return Instructions

Accuride steel and aluminum wheel products are shipped on returnable plastic trays and bases that are to be returned to the appropriate facility.

Dunnage Return Process

Accuride wheel dunnage should be sorted into groups by size and type. Trays and bases need to be stacked and banded or wrapped so they can be unloaded safely.

All solid color plastic trays and accompanying bases (both of which could have a colored stripe) should be returned to:
