Gunite Value Plus 15 x 4 Brake Drums

Gunite's Value Plus 15 x 4 Drum

Gunite understands that the industry's move to larger 16.5 x 5 front/steer brake drums makes it important that fleets cost-effectively maintain their existing vehicles with 15 x 4 front/steer drums. That is why we are pleased to offer the Gunite Value Plus 15 x 4 brake drum. It delivers cost savings without compromising the performance you need to keep your existing equipment rolling. You can depend on Gunite's quality, as Gunite brake drums are approved by all North American truck and trailer OEMs.
